

CHAIRPERSONS REPORT ZOC 2011

With 2011 coming to an end we now need to sit back and reflect on what we have achieved, it seems that some of our dreams just did not materialise, however we must now focus on 2012 and ensure that we actively drive and participate in the future events and make the club bigger and better.

This can't happen if we don't grow our club and the sport and don't encourage the existing members as well as new and especially the youth.

This in these economical times is a huge challenge.

MEMBERSHIP

This year on membership we have 352 members of which 36 are new members family memberships (2nd card holder) 54

Students 5, out of towners 15

Victor Ludorum 2011 – attached

It is very encouraging that we have 'young guns' not only joining ZOC but taking part in the events to.

ZOC members card usage:

Trax days – 37 members

Wednesday practice - 75 members

Race entries – 152 members

Race day tickets collected at caravan for access – 607 members (average 50 per race meeting)

Clubhouse – 437 members

Guests @ clubhouse – 110

ZOC EVENTS

This year we combined the events with the new initiative which is the performance car club challenge, this certainly helped in some events to boost numbers on the day as well as encourage new members to join as a result of the discounted fee to take part as a ZOC member

The Krugersdorp hill climb was cancelled as the event has not been able to sustain itself in the last few years and with all the new laws that need to be adhered to when organising an event with police clearance etc the event was simply not viable to run

Next year events will be combined with other days again as this assists not only with the entries but also the cost of running events.

The driver training day at the beginning of the year is the one event that always sees new faces and many old who enjoy all that they learn while having fun, this day has also brought new drivers into racing and encouraged some to do more fun events.

COMMITTEE

We certainly need to thank the committee for all their work at events and leading up to events.

Geoff has been a long standing member and is very enthusiastic and always lends a hand, he also always has a friend there to help with the friends son who have always assisted wherever they could

Fonnie & Ish always assist when they can and Fannie thanks everyone for 'allowing him to assist' 😊

And Lee Anne has done all the work with the cards and the updating of memberships along with the financials, a huge help to me.

Dave, even though he is no longer a committee member he is always around and keeps the top 100 lap times, victor Ludorum and the wonderful photos up to date on the website (always in the quickest of time after an event to)

Peter Collings whom is also not a committee member anymore but also always ensures that the website is up to date and has made many things easier for members, like being able to log in and change any personal details that need changing.

Colin Hastie who does a wonderful presentation and manual, and all the members who assist at the driver coaching day as well as the other events.

And each and everyone else who always lends a hand. THANK YOU ALL

Now we sit at that time of year again and need to select the committee for 2012.

We need to grow the club not only in numbers and in entries of events, but also the attendance on race days and the use of our clubhouse.
