

# ZWARTKOPS

INTERNATIONAL WORLD OF MOTORING

## SUPER-TRAX DAYS

Enjoy carefree motoring in a controlled environment. This is an open invitation to enjoy a days motoring on the Zwartkops High Performance Circuit with your friends and family.

Whilst the day does involve speed the event is purely for enjoyment, experiencing your road car in conditions that are safe under controlled conditions. The chief operating officer will ensure that you are driving in a appropriate group.

The Super-Trax Sunday is not an open day for racing cars and is a noise restricted day with a maximum of 100db. Competition cars will be accommodated PROVIDED THEY ARE ROAD SILENCED. Competition cars are not the primary focus of the day as the ordinary motorist has priority.

### **SUPER-TRAX SUNDAYS:**

There are three categories which you can participate in:

**CATEGORY 1:** For slow pace driving. Learning and harnessing your techniques.

**CATEGORY 2:** High performance motoring.

**CATEGORY 3:** Open Sports Cars and those vehicles which have roll-cages or may have been used competitively.

# IT'S FOR THE WHOLE FAMILY - JOIN IN THE FUN WITH SKIDCAR, 4 X 4, LEARN TO RIDE A SCOOTER OR HIGH PERFORMANCE DRIVING INSTRUCTION

## ZWARTKOPS SUPER-TRAX SUNDAYS:

Registration from 09h00 – Driver Briefing 09h30 – Circuit opens at 10h00 to 16h00 Cost: R200 per driver – R40 per passenger / ZOC Members R170 per driver

Super-Trax Sunday is about participative motoring in a controlled environment.

The Super-Trax day also includes experiencing car control on our world standard "skidpan". It is a requirement that all participants have a drivers licence except for Category 1 when a learner can go on the circuit with a licensed driver as instructor.

## ZWARTKOPS SUPER-TRAX OPEN DAYS:

Open to competition vehicles and the general public with a noise restriction of 115db. Divided into categories pending on type and speed of vehicle.

Registration from 08h00 – Drivers Briefing 08h15 – Circuit opens at 08h30 – 17h00

## ZWARTKOPS HIGH PERFORMANCE INSTRUCTION:

This is available on Super-Trax days. For more details refer to our [website www.zwartkops.co.za](http://www.zwartkops.co.za) – Contact Ann Woolley on **083 304-5555**

## ZWARTKOPS RACING SCHOOL:

Locost SA has opened a new racing school based at the Zwartkops Race Track in Pretoria, forming an integral part of the Zwartkops Initiative for Driver Training and Education – this will offer tuition not only in racing but in all forms of high speed car control. The courses will be offered not only as educational but also for corporate entertainment. Initial investigations showed a large amount of interest from the corporate environment for team building and corporate entertainment of this type. By utilising the branded cars for these schemes your brand is exposed to a wide field of market sectors.

Contact Ann Woolley on **083 304-5555** and book your place.

## SCOOTER TRAINING:

The Scooter Training Program is based on the following:

- |                 |                    |  |
|-----------------|--------------------|--|
| <b>Phase 1:</b> | 12 to 16 years old | - Class room safety talk                         |
| <b>Phase 2:</b> | 16 to 18 years old | - Basic riding skills                            |
| <b>Phase 3:</b> | 16 to 18 years old | - Road riding techniques                         |
|                 |                    | - Outride in Zwartkops in a confined area.       |
|                 |                    | - K53 Learners License training and dummy test.  |
|                 |                    | - K53 Practical License training and dummy test. |
